

*In Partnership with: Community Action Agency, Inc.*

---

April 11, 2011

Thank you for your past support of the Up with Knox County project. You have been a generous partner in our goal to maintain and improve the supply of safe, decent, affordable housing units in Knox County, and I hope we can count on your continued support.

I hope you will renew your support of Up with Knox County by making a contribution today of \$100. Your gift at this level will make us even more effective in accomplishing the critical work that is ahead for Up with Knox County. Your increased contribution will help ensure the continued success of this local program.

We have scheduled a Fall Project Day on **September 24<sup>th</sup>, 2011**. Volunteers will work on homes in need of repair throughout Knox County. For this event to be successful, we need help financially as well as volunteer workers for each home.

The project will cover all areas the community. We expect to have a long-term impact benefiting our community including:

- Help families in need of home repairs, especially low income, elderly or disabled
- Revitalize the Knox County community and improve community streetscape
- Increase the value of homes, generate more home buyers and boost real estate
- Increase community and neighborhood pride

The first year of project was incredibly successful in revitalizing seven Knox County homes. Your continued support will allow our organization to continue to provide this service to families, especially low income, elderly or disabled, by revitalizing homes in need of exterior repair and restoration.

That is why I am a committed member and supporter, and that is why I am asking you to be as generous to Up with Knox County as you can be when you make your gift this year.

Sincerely,

Members of the *Up with Knox County* committee
